

Camille Castro

Recreational Teacher

Nick Name: Mille

Tell us about yourself:

I was born and raised in Vallejo. I currently attend DVC – hoping to transfer soon – majoring in business and child development. Aside from working here, I teach dance at Stage One Dance Studio.

Why do you do teach gymnastics?

Gymnastics has always been a passion of mine. I started at age 1, began competing at 5 until I was 11. I teach gymnastics because I believe in the sport. It teaches our students courage, determination and teamwork in a fun, safe environment. If it keeps kids off the street then all the better.

Anything else you want us to know about you:

I'm 22, not 17.

Favorite Quote:

“People go when they are ready, not when you are.”

Something we didn't know about you is:
